01 — THE VILLA

A setting *with a story*

Behind its stone gate piers, the Villa reveals honey-coloured Bath stone, elegant sash windows and a secluded private garden. Its beautifully preserved period features and thoughtfully designed interiors bring together historic character and understated contemporary elegance.

At its heart, Henrietta Bar & Restaurant offers an intimate, light-filled setting opening onto Henrietta Garden. From its inviting interiors to the tranquillity of its gardens, the Villa offers a sense of privacy and warmth, creating a distinctive setting for celebrations both intimate and personal.

02 — YOUR DAY

Say ‘I do’ *beneath* the trees, or by candlelight

Exchange vows in the open air of Henrietta Garden, or indoors in the warm glow of Henrietta Bar & Restaurant. Then the room becomes entirely yours for the wedding breakfast: candlelight on white linen, sash windows over the garden, and space for up to 44 guests to dine together.
