congratulations

Congratulations on your engagement and thank you for considering The Roseate Reading as the location for your special day.

Our beautiful venue The Roseate Reading is set in a magnificently restored and modernised early Edwardian listed mansion, originally built in 1911. This majestic property is a luxury hotel, offering exclusive accommodation, beautiful event rooms, fine cuisine and top-class service in a central location.

At The Roseate Reading we work on a minimum spend basis, rather than price per person as we believe this limits you in creating a bespoke event that is truly something special and memorable. Our price structure is designed to be flexible so we can curate a package to suit you.

We do not stipulate what is included for the food and beverage, only that you reach the minimum spend. For example you have the choice to decide if you want canapés or the number of arrival drinks you wish to have.

The following are always included in our minimum spend:

- Complimentary menu tasting for the couple
 - Cake stand and knife
 - Red carpet welcome
 - Wedding stationery – place cards, menu cards and table numbers
 - Complimentary Bridal Suite on the night of the wedding, with breakfast
 - Table linen, cutlery, crockery and glassware
 - In-house toastmaster

an idyllic venue

The Roseate Reading is a place where every little detail has been considered and our wedding planner will orchestrate the perfect day so you can cherish every moment. From the intimacy of the Library and Cellar Room to the lovely Eden Room with hand painted flowers that cover the walls of what used to be the original council chambers with the original fire place, each room offers a warm and romantic atmosphere to exchange your vows surrounded by your loved ones. Able to accommodate from 2 to 52 guests for civil ceremonies plus partnerships, The Roseate Reading is your perfect wedding venue.

exquisite food and beverages

Our modern British food uses the best fresh, seasonal produce. Our friendly service ensures everything flows seamlessly. Feel free to make customizations whether you wish for canapés, a buffet, a traditional three course wedding breakfast, or traditional Afternoon Tea, which our team will incorporate and exceed your expectations. The menus can be tailored to suit your individual needs, taking care of allergies, vegetarian & vegan preferences, food for small children, or fussy eaters. We can help you with quantities, timings and pairings, all customised to suit your preferences.

Signature wedding cocktails is an option for guests who wish to add an original flavour to their celebration. Couples can discuss their favourite ingredients with our bar team, so their bespoke creation can be 'shaken and served'. Our wines are selected from regions representing old and new world, and lesser known areas; mostly from small producers, who offer excellent quality and value. Our sommelier will guide you with wine pairings for your chosen menu, in line with your budget.
