TEA COCKTAIL MENU

TEA COCKTAILS

Inspired by the delicate hand-blended teas from Gillards of Bath, a fine selection of bespoke cocktails have been curated specially by our mixologist as the perfect accompaniment to your Afternoon Tea. Prepared using local tea blends and homemade infusions, these exquisite cocktails champion the traditional flavours of the tea, and also use them in new bold ways.

EARL GREY MARTEANI

The classic blend of bergamot and black tea is paired with gin and a spiced orange aperitif, to give a flavourful experience that is both classic and surprisingly bold.

OLD CARAVAN

A smoky twist on a classic cocktail. The introduction of the Russian Caravan's unique notes of burnt cedar and campfires, are the perfect accompaniment to the sweet bourbon and aromatic orange bitters of an old fashioned.

HIBISCUS SPRITZ

A wonderfully refreshing and fruity drink. The herbal nature of hibiscus balances with the sweet Crème de Cassis to give a wonderful bouquet on both the nose and tongue.

ROSEATE ICED TEA

Bursting with the tropical flavours of Gillards Mango & Passionfruit black tea blends and with the charming addition of Jamaican rum & Cointreau, this is a fun 'tea-based' 'tiki drink'.

BATH CITY PUNCH

Inspired by the city's Georgian heyday, this elegant punch with hand-blended Bath City tea, and sweet vermouth as its base is the perfectly sophisticated accompaniment to your Bath experience.
