- Hellenic ideal** £10.50  
*gin, lime and ginger beer*  
*And yet, I believe that if one man were to live out his life fully and completely, were to give form to every feeling, expression to every thought, reality to every dream—I believe that the world would gain such a fresh impulse of joy that we would forget all the maladies of medievalism, and return to the Hellenic ideal—to something finer, richer than the Hellenic ideal, it may be."*
