Kir Royale

The kir became popular in French cafes in the middle of the 19th century and was further popularized by Felix Kir after World War II. Then mayor of Dijon in Burgundy, France, served the drink often to promote his region's fine products. The name kir has been associated with the drink ever since.

Aperol Spritz

It's late spring, 6 p.m. Golden hour is nigh. It's too late for lemonade, too early for whiskey — spritz time on the dot. First the spritz, then the Aperol, and finally, the marriage of the two

Boulevardier

It was first published in the 1920's bar book, ABC of Mixing Cocktails by the renowned bartender Harry MacElhone. It also appeared in his 1927 book, Barflies, and Cocktails. The bittersweet interplay between Campari and vermouth remains, but the whiskey changes the storyline.

Clover Club

The Clover Club cocktail is another pre-prohibition cocktail that is becoming a new favourite among current cocktail-drinkers. The name comes from the Philadelphia men's club, where it originated, and was being enjoyed as early as 1910.

- MIXOLOGY

Moscow Mule

"The mule was born in Manhattan but 'stalled' on the west coast for the duration," the paper read. "The birthplace of 'Little Moscow' was in New York's Chatham Hotel. That was back in 1941 when the first carload of Jack Morgan's Cock 'n' Bull ginger beer and John Martin vodka comes together."
